Dear Parent/Guardian

Victoria Point State School P&C Association has chosen to hold a Pie Drive. We hope to raise enough money to assist with our commitment to the school contribution. Each family will come home with an order form to collect orders from your family, friends, workmates, etc. We would value your support in this fundraiser.

We have again chosen to sell the famous Yatala Pie Shop pies this year. They will be delivered cold, freshly baked and individually boxed and labeled according to type. The school’s P&C will receive a set amount for each pie or sausage roll purchased.

Payment is to be made at time of ordering and can be made by cash, cheque or EFT. Since some of our orders could contain substantial amounts of money we would prefer that our students weren’t responsible for the safe arrival of that money to the school. We have an account called ‘EFT Fundraising Deposits Account’, BSB 034 070 Account 396 843 and any amount can be deposited into that account as long as you use your child’s/ren’s surname and class as your reference. If your bank doesn’t allow you to key letters into the reference field then use the phone number you supplied on the order form. That surname and class must also be included on your order form which will still be required to be left in the P&C box at the school office by the due date. These deposits will be reconciled and matched with the forms.

The orders with all payments will be due back at the school office P&C box by 9am on Friday, 24 May and can be made at any time until then. Delivery will be made on the Wednesday, 5 June for collection from the school hall between 2.30pm and 3.15pm - just in time for the first NRL State of Origin game. Pies for dinner that night?! It’s a great alternative to pizza and as you can freeze the dinner pies you have a quick meal those nights you don’t have time to cook or would like the night off. Parents of Grade 7 students on camp can make alternative arrangements by contacting me prior to collection day.

A receipt will be issued to come home with your child once your order has been checked and payment received. Don’t forget to bring a cooler bag or two to assist with carrying your order home on collection day. A text message will also be sent during that day to remind you of your collection. In previous years we have had a number of orders forgotten to be collected so it is very important to leave contact details. Older children can collect pies to take home. Please contact me to arrange this.

If you have any questions about the drive, or delivery of the pies, or would like to assist with the delivery of the pies please contact Angela on 0419 197 396 or leave a note at the school office and I will return your call. Alternatively, you can contact me via email at above address.

Thank you for your support.

Angela Woodall
